SERVICES NOW RECEIVED THAT CAN BE ELIMINATED OR REDUCED AND TO WHAT DEGREE

Supply Division

With the transfer of the responsibilities of the Stock	
Control Branch. on 4 Mar	cch 1974 to the eleventh
floor, Ames Center Building, a realignment of phones in the Depot	
Will be necessary at some future date. This realignment will	
result in a reduction of 16 instruments plus two lines. Provisions	
were made for telephone service during recent renovations on the	
eleventh floor, Ames Center Building, f	for those positions being
transferred from
